

# Equality for Humanity

**Mission:** To bring awareness to the human race that equality for humanity should exist and present the ways it can happen.

**Vision:** To see people networking together bringing equality to all parts of the globe, sharing a database of all the legitimate support groups worldwide. We will offer individuals direction in the most beneficial way to those in need.

**Volunteers required:** Like any project volunteers will be required. We will need to build a team of dedicated and concerned individuals who feel that the world needs a change and we can make a difference.

Key individuals would be:

- People with knowledge on Human Rights
- Understanding of legal terminology
- Email newsletter distributor
- Writers for articles and web content
- Editors
- Resource group
- Web Design
- Graphic Artist
- Videographer
- Publicist
- Treasurer
- Secretary
- Lawyer

All communications can be done via the internet which will allow those involved to be anywhere in the world.

The project will be based out of Ontario Canada and led by Mark Robinson
